MEMORANDUM FOR: Deputy Director for Administration

FROM: Henry P. Mahoney
Director of LogisticsSUBJECT: Report of Significant Logistics Activities for
the Period Ending 14 May 1986

25X1

1. Events of Major Interest That Have Occurred During the
Preceding Week:

25X1

b. Representatives from OL's New Building Project Office (NBPO) and Procurement Division will be in Detroit on 14 May to complete the technical evaluation of carpet proposals received on 12 May. The Agency is currently soliciting bids for some 760,000 square feet of carpet for the new Headquarters Building. The principal purpose of the trip

will be the evaluation of samples for color adherence to the building standard. This evaluation will be done in the NBPO architect's lighting laboratory, which will simulate lighting type and levels to be found in the new Headquarters Building.

25X1

c. OL was notified by the GSA on 9 May that the land use permit for the area behind the Headquarters Motor Pool (presently used for Contel trailers) expires on 31 May. A one-year extension of the permit was arranged by OL and a copy of the amendment to the original agreement will be forwarded by GSA to the Director of Logistics for signature.

25X1

* d. The Virginia Department of Highways and Transportation has advised OL that it will conduct its internal review of the 60 percent engineering design for the Agency's Route 123 roadway improvement project on 5 June. OL personnel will participate in the review, after which formal notification will be sent to all Traffic Advisory Committee (TAC) members announcing the first of two remaining TAC reviews. The formal TAC review will occur during either the second or third week of June, at a location to be selected by the community.

25X1

* g. OL reports that Ecce Homo, the Georgio Spaventa statue which has been standing in the main lobby of the Headquarters Building for several years, has been donated by the lender, Vincent Melzac, to the Vatican. Representatives of the Apostolic Pro-Nuncio will collect the statue on 14 May. A bronze bust of George Bush, sculpted by Marc Mellon, has been accepted by the DCI as a gift to the Agency from Vincent Melzac. Upon receipt, the bust will be temporarily located in the Exhibit Hall, Headquarters Building, until it can be placed in the new Headquarters Building.

25X1

h. OL reports that during the week of 19 May, new permits will be issued for medical, reserved, and carpools with four or more people for the first third of the South

Parking Lot. Construction of this section of the South Lot will be completed on 23 May, and the new permits will become effective on 27 May.

1. On behalf of the office of the DCI, OL awarded a contract to Maxim Technologies, Incorporated, in the amount of \$294,000, for a full text and retrieval system for recording Agency contacts with Congress.

* o. Printing and Photography Division was involved in the production run of an additional 25,000 copies of the Factbook on Intelligence. The increase is attributed to an article in U.S. News & World Report stating that copies of this publication are available to the general public.

* p. Support for a filming project on the first pilots of the U-2 and the designer of the camera used in the aircraft was requested of OL by the Office of Development and

25X1 Engineering. In response, 1,800 feet of motion picture film was shot at the Smithsonian Institution's Air and Space Museum.

2. Significant Events Anticipated During the Coming Week:

25X1 a. The Director of Logistics will depart on 19 May for a three-week TDY to the Far East.

25X1 b. The 1986 OL Secretarial Conference will be held on 19 and 20 May
